CULINARY SUCCESS

Convention forums consistently rank food & beverage quality in the top 10 factors that determine the success of corporate gatherings. It's simple: Great cuisine improves the experience, which has a direct effect on how ideas and information are received by attendees. From intimate events to functions for thousands, year after year, Foxwoods receives exceptional feedback from event planners about the quality and diversity of our catering. That's because the expert Foxwoods catering team understands how food and beverage equate to triumphant events. Our creative cuisine offerings not only reflect what is new in the industry but set new culinary trends.

THE TALENT

ASHLEY ARCHER, DIRECTOR OF CULINARY

As Director of Culinary at Foxwoods Resort Casino, Ashley Archer oversees the resort casino's food operations and is responsible for crafting the unique menu offerings at Foxwoods' world-class events and dining institutions. Archer developed his culinary skills at the early age of 13, working at his family's restaurant in Dallas, Texas, and after graduating from Sul Ross State University with a degree in history, he returned to the kitchen at Highlands Bar and Grill in Birmingham, Alabama, where he rediscovered his love for cooking. At age 23, he was named Executive Sous Chef at the Sheraton in Birmingham while also continuing his studies of the culinary arts.

Throughout his career, Archer has taken leadership roles at numerous kitchens across the country, including serving as Executive Chef and Director of Food & Beverage at Silverton Lodge & Casino in Las Vegas, Nevada, Executive Chef at Indiana Grand Casino in Shelbyville, Indiana, Executive Chef and Director of Food & Beverage at Valley View Casino & Hotel in Valley Center, California, and Executive Chef at Ameristar Casinos in East Chicago, Indiana, Vicksburg, Mississippi, and Kansas City, Missouri as well as the Westin Philadelphia. In his accomplished career, he is the recipient of the prestigious Mobil Four Diamond Award and is the only chef to have placed in every category at Mississippi's state culinary competition. Chef Archer also had a hand in the first Friend of James Beard Benefit event held in a casino outside of Las Vegas, in which funds were raised for culinary scholarships at the high-profile event.

MICHAEL YAFFE, EXECUTIVE CHEF

Bringing over 20 years of culinary experience to Foxwoods Resort Casino, Executive Chef Michael Yaffe oversees Foxwoods' food preparation and culinary activities across all events and venues. Chef Yaffe discovered his culinary passion at only 14 years old, learning the basics of cooking from his father and studying culinary arts at a vocational school in Brockton, Massachusetts. Trained in French, Italian and additional continental-based cuisines, Chef Yaffe is experienced in hotel and resort casino food preparation and planning, as well as fine dining cooking techniques. Chef Yaffe has spent the past seven years of his career at Foxwoods, where he has led award-winning culinary programs while serving as the head chef at the resort casino's VUE 24, an upscale restaurant featuring refined and high-end menu items. During his leadership at VUE 24, the fine dining institution won several awards including, *2019 Wine Spectator's Restaurant Awards - Best in The World for Wine*, and *Connecticut Magazine's Best of Connecticut 2019: Fun and Leisure* awards in the categories *Best Fine Dining*, *Best Appetizers*, *Best Desserts* and *Best Wine Selection*.

MARK BARNETT, EXECUTIVE SOUS CHEF

Executive Sous Chef at Foxwoods Resort Casino, Mark Barnett, has spent the past 14 years of his career at Foxwoods, bringing his culinary expertise to the resort casino, working across a variety of outlets where he leads the daily operations of the food and beverage venues on the property. Beginning his tenure as a specialty cook in 2008, Chef Barnett has served as a professional chef for the resort casino's fine dining, à la carte, events, banquets, and off-site catering services, and currently supervises the kitchen employees to ensure all food quality standards are met.

FRANCK IGLESIAS, EXECUTIVE PASTRY CHEF

As Executive Pastry Chef at Foxwoods, Franck Iglesias supervises a staff of 40 like-minded pastry magicians, where he prepares delectable desserts that guests and event planners can't stop raving about. Growing up north of Paris in the town of Argenteuil, Chef Iglesias learned culinary arts from his parents. He was raised by his mother, who was devoted to traditional French cooking at home, and his father, who was also a beloved restaurant chef. While still a teenager, Chef Iglesias entered Andorra Culinary School, where he was formally educated in the fine art of French cuisine. He then proceeded to Perpignan near the Mediterranean coast, where he mastered pâtisserie as only the French can teach it. Like all true practitioners of the culinary arts, Chef Iglesias spent years in renowned kitchens in Europe and the United States, garnering praise and having his writing published in *Food & Wine*, *Gourmet*, *Art Culinaire*, and *Modern Bride*.

MISSION STATEMENT

The Mashantucket Pequot Museum & Research Center, part of the government of the Mashantucket Pequot Tribal Nation, is a nonprofit educational institution that seeks to further knowledge and understanding of the richness and diversity of the indigenous cultures and societies of the United States and Canada.

To accomplish this mission, the Mashantucket Pequot Museum & Research Center will conduct and support research and the development of ethnographic, archival, library and archaeological collections. They provide programs and exhibits that encourage interaction with and among indigenous peoples, the general public and the scholarly community.

MUSEUM HISTORY

Tribally owned and operated since its opening on August 11, 1998, the Museum brings to life the story of the Mashantucket Pequot Tribal Nation. It serves as a major resource on the history and culture of Native Americans in the Northeast and on the region's rich natural history. The Museum is a 308,000-square-foot complex, consisting of permanent exhibits, classrooms, a 327-seat auditorium, a restaurant, a museum shop and administrative offices. The Research Center houses the collections, a library, a children's library, archives, archaeology and conservation laboratories. Multisensory dioramas and exhibits introduce visitors to the history of the Mashantucket Pequot Tribe, and the natural and cultural history of the Eastern Woodlands.

Films and videos, interactive programs, archival materials, ethnographic and archaeological collections, commissioned art, and traditional crafts by Native artisans are featured in the exhibits. The building is designed to interact with its surrounding environment while maintaining the ecological integrity of the area. It embraces the tree line and is nestled into the landscape—two of the five levels of the facility are below ground. A 185-foot, stone and glass tower provides visitors with sweeping views of the swamp and region. The large, circular, glass and steel Gathering Space serves as an arrival area. The restaurant features a variety of Native American cuisines, and the Museum shop specializes in contemporary Native American arts and crafts.

THE TRIBE

The Mashantucket Pequot are a native Algonquin people of Southeastern Connecticut known for their "Pequot spirit of survival." Their unprecedented story can be relived in vivid detail at the Tribe's world-renowned Mashantucket Pequot Museum & Research Center. The tenacity of the Mashantucket Pequot brought them through centuries of persecution to economic prominence today. Since opening one of the first Native American gaming halls in the country in 1986, the Mashantucket Pequot Tribal Nation has also developed a host of lucrative economic ventures including the Lake of Isles Golf Course and The Spa at Norwich Inn. The Tribe provides significant financial contributions to state and local nonprofit organizations that support neighboring communities.

THE SPACE

The Mashantucket Pequot Museum & Research Center features 85,000 square feet of permanent, indoor exhibitions including life-size dioramas in Pequot Village, films and interactive computer programs. Group discounts, as well as private and after-hours tours, are available.

The Museum also offers a spectacular 14,773-square-foot glass-enclosed atrium known as the "Gathering Space" for weddings, galas, proms or any elegant affair, a 20,000-square-foot outdoor garden terrace, a 327-seat auditorium for presentations or entertainment, additional dining for 300, and several other meeting rooms and unique event opportunities. Each space offers full catering and bar services.

FOXWOODS SURROUNDS

Southeastern Connecticut is a land of imagination, recreation and natural beauty. Minutes away from Foxwoods Resort Casino is Stonington, consistently voted one of the most picturesque villages in New England. A few short miles from there is Mystic, perhaps the prettiest (and most chic) seaside town in America with its incredible aquarium, historic seaport and, of course, the actual Mystic Pizza restaurant.

The countryside immediately surrounding Foxwoods offers unparalleled riches in American history, scenic views, natural wonders and more. Winding through the region is the famous Connecticut Wine Trail—a string of fine wineries operated by passionate winemakers who produce excellent Cabernets, Chardonnays, Pinots, Rieslings and many other exceptional varieties.

HIKING AND NATURE

Beyond the excitement within the walls of the resort, the picturesque Connecticut woods offer their own exhilarating adventure. The fox paw prints in the Great Cedar Casino lobby will guide you to your choice of trails. You can opt for the path that takes you to the outside exhibits of the Pequot Museum or try the scenic trail loop. For those who enjoy a more vigorous walk, the Lantern Hill Trail takes you up nearly 500 feet above sea level to enjoy views that stretch as far as the waters of Block Island Sound. You might not have expected to find this kind of activity at Foxwoods, then again, you always get more than you expect here.
